Notes and Reminders

Monthly update from the Teachers:

Welcome to March everyone!

We are hoping everyone is enjoying the sunshine and fresh air. We can feel the Spring is coming near to us. As the season is changing, there is a chance that our babies could have runny nose, stuffy nose and some other cold symptoms. We are washing our babies' hands with soap and water daily, before serving the meals and when we come back from outside or gym. Also we are sanitizing all the toys when our babies are not using them. Please double layer their clothes if you think the weather is not warm enough and we will keep try our best to avoid getting our babies sick. Thank you for your support and understanding.

From Monday, March 16th to Friday, March 20th, school will be closed due to Spring Break. We would recommend to everyone to keep up with potty training as we are getting close to JK1. Also during April, we are going to have Parent/ Teacher Conference on the 23rd. Therefore, if you have any questions or concerns please bring the up on April 23rd, as we are able to discuss more deeply.

Special Events Information:
