Nutty Professor Summer Camp Newsletter

A Word From Your CEFA Teachers

A Word From Your Teachers. Ms. Tam and Ms. Jenvey would like to welcome all of our new little Einsteins to the first of our 4 exciting summer camps. Over the next two weeks we will be exploring different reactions, cause and effects and hypothesising on the outcomes of our experiments.

We Would Gladly Welcome The Following Donations Over The Next Two Weeks: **Nothing at this time.** If we think of something we will let you all know in advance. Thank you in advance for your participation in helping to make this years Nutty Professor Camp a great success.
