This month's STEM challenge:

Color Changing Flowers

We will be exploring colors for this one as well. Our class will find out what happens if we put water with food coloring to the flowers in each individual jars

Notes and Reminders

Monthly update from the Teachers:

Dear Parents,

Welcome to JK1 F! It is wonderful to have you all with us, even in these special circumstances.

Your teachers for this year are Ms. Samson, Ms. Chesil.

Here are some reminders:

We are asking if you can please bring a family photo for your child's birthday wall. In our experience, children always proudly show off their families to their friends.

Also please remember to bring your child's cefa outerwear (the uniform fleece jackets and vests and waterproof jacket and pants) and change of clothes to make sure your child is appropriately dressed for the wet and cold weather.

Thank you very much,

The JK1F Teachers ☺

Special Events Information:

September 7th- Happy birthday, Jacob!
September 7th – Labor Day (no classes)
September 14th- Happy birthday, Remy!
September 20th – Happy birthday, Leona!
September 30th- cefa Fun Day (comfy day)
