This month's STEM challenge:

Popsicle Sticks

This fun activity focuses on ONLY using Popsicle Sticks when building! Please note that this product includes quick challenges for children to use when creating.

Notes and Reminders

Monthly update from the Teachers:

Dear Families,

This month, we would like to introduce to you a new team member. Her name is Ms. Sunhee Kang (the children know her as Ms. Sunhee) and she worked as an elementary school teacher in Korea for 12 years. She is also a mother of 3 elementary school age children. We are very pleased to have her as part of our team and she is very eager to know and work with all of you.

Unfortunately, because of the pandemic we are not having our yearly Halloween in class potluck party. However, we will be sending you a lot of cute photos of your children having fun with their friends in their amazing, colorful costumes.

If you have any questions, please do not hesitate to speak with all of us. We are ready to help. Our contact number is (604) 299-2373 ext 107 or you can message us anytime at Hi Mama.

Thanks again,

The JK1 F Teachers

Special Events Information:
