### Notes and Reminders

#### Monthly update from the Teachers:

As our weather continues to get colder, please remember to pack winter gear for our outside time. Please ensure you are labelling all of your belongings so that anything misplaced can be easily tracked down and returned. Bedding and muddy buddies are being sent home at the end of the week and should be washed each time it is sent home.

We have been kindly reminding all our Jk3's to refrain from putting their fingers in their mouth or on their face, explaining that this is a way to keep our body healthy especially in this time that we're in. Please have conversations about this at home as well and remind your child to wash their hands if they do put their fingers in their mouth.
