This month's STEM challenge:

### Notes and Reminders

#### Monthly update from the Teachers:

Happy New Year and Welcome back!

We hope you had a wonderful holiday filled with relaxation, laughter and love; we are so excited to start a new year.

#### Illness Policy:

Let's all do our part to stop the spread of germs, if your child is sick please do not bring them to school until they have been symptom free for at least 48 hours (fever, vomiting and diarrhea) If you need additional information about our illness policy please refer to the parent package.

#### Socials:

For the month of January, we will be talking to our JK 1 friends about sharing 😊

#### Transition into JK2:

Starting in the new year, we wanted to let families know that as your children turns three years old, they will be transitioning into the JK2 classroom (over three program) therefore we will be getting some new friends in our classroom each month. Ms. Crystal will be letting families know by letter, when their transition date is and which JK 2 classroom your child will be going to. Once our JK2 classroom are full, we will need to apply for retentions, through Fraser Health to allow your child to remain in the JK1 classroom until Summer transitions start. If you have any questions about this, please do not hesitate to talk to Ms. Crystal or Ms. Daylene about this transition.

#### Special Events Information:

**Monday January 4<sup>th</sup> 2021**

**Welcome back**

**Thursday January 31<sup>st</sup> 2021**
