Notes and Reminders

Monthly update from the Teachers:

Water bottles: water bottles must only have water in them and not milk or juice. If they have a drink other than water, we will clean it out and refill with water from the cooler. This is a licensing requirement, as water is the only liquid that is sugar-free and will not go bad from being left out of the fridge.

Outdoor Gear: Please ensure your child has appropriate clothing for the weather. We still go outside rain or shine.

Bedding: Bedding must be washed daily as per the Health Department guidelines. To ease your daily laundry load, you can try having a few different sets to rotate throughout the week.

Special Events Information:

Monday, January 4th: School re-opens after winter break
Wednesday, January 29th: Cefa fun day (sports jersey/shirt)
