#### "I Can Read!" Program: 200 nights of reading

Please take the opportunities to read with your children every night. Reading should be a time that both you and your child enjoys. If your child is comfortable, have them tell you their own story related to the illustrations in the book you are reading. When you have completed reading for the night, make it down in your take home reading log. Once you have completed 50 nights of reading, return it to your classroom teachers so they can assist your child with collecting their prize.
