	<p>This month's STEM challenge: <b>LEGO Zip Line Activity</b></p> 
---	--

### Notes and Reminders:

#### Monthly update from the Teachers:

*We hope that everyone had a wonderful and safe Halloween!  
With the colder weather coming please have the appropriate clothing for your child to go outside daily, and please let the teachers know if there are certain items you would like on your child for outside. 😊*

#### Socials: Community Helpers

We will be discussing all the people who make our communities safe and make them work! We will learn about what each person's job entails and how we can be a community helper in our school and in our neighborhoods, and so on!

**Socials Homework:** ➡ Please talk to your children about safety when going out in the community. (For example: holding hands, staying together and not talking to strangers)

#### I Can Read Program:

We are very excited to continue our Reading at Home Program. Don't have your booklet? Ask teachers for one! 😊  
To expose the children to more books and frequency in reading we challenge each family to 200 nights of reading! You can choose to read a story to your child, or they can read one to you.

Every time 50 nights is completed; your child will return their book to their teachers and get to select a prize. Good Luck!

#### Uniforms:

Please remember uniforms are mandatory daily, all children must be wearing the following items every day, their Cefa shirt, dress/pants/shorts and have a Cefa jacket as well. Please Label everything that comes to school, Thank you!

**(The weather is getting colder, please bring mittens and a hat to keep your child warm while we are outside.)**
